MODERN RED

Red is not a universal bathroom colour. But a small detail like glossy rich red furniture can make the room feel warm and playful.
Beige color is one of the most popular in the recent years, due to its warm tones and Scandinavian feel.
One of the classic RB bathroom models. SERENA consists of three wood décors and a wide chrome handle, that is the basis of this design. This cabinet reflects the main idea of RB bathroom – you don’t need much for a stylish bathroom.

Beauty in serenity!
